

Control of Terrain in Iraq: July 3, 2014

Changes for July 3 update: The Iraqi Security Forces, with the likely support of Iraqi Shi'a militias, launched an operation to clear the Mansouriyah sub-district in Diyala. Mansouriyah, north of Muqdadiyah district, is an area that has been contested by the ISF, Iraqi Shi'a militias, and ISIS since the fall of Mosul on June 10.
